Introduction:

“The one who sows to please his sinful nature, from that nature will reap destruction; the one who sows to please the Spirit, from the Spirit will reap eternal life.” Galatians 6:8

Through the centuries Christians have sown to the Spirit in order to grow spiritually. One of the ways they have done that is through the practice of various spiritual disciplines. These disciplines put us in a position to continually receive God’s grace. Richard Foster says, “The Disciplines allow us to place ourselves before God so that He can transform us...The Disciplines are God’s way of getting us into the ground; they put us where He can work within us and transform us. By themselves the Spiritual Disciplines can do nothing; they can only get us to the place where something can be done.”¹

This study was designed for you to read each set of Bible verses and to answer the questions that follow. You are encouraged to take extra time for further study, prayer and reflection.

At the end of each week’s study you will find suggestions for making it practical. It will be to your greatest advantage to select at least one and put it into practice.

WEEK 1 **Prayer**
